

Defensive Driving Online Courses

Drive
SAFE

Defensive Driving Online delivers real-life driving situations that will help motivate drivers to change their behind-the-wheel behaviors and attitudes. Through state-of-the-art technology using computer-generated animation and adaptive interactivity, employees will learn best practices to protect themselves and the company.

What Employees Learn:

- Defensive driving strategies and techniques to reduce the chance of motor vehicle collisions
- How drugs, alcohol, physical conditions and emotion affect driving decisions
- How to deal with distracted, aggressive and fatigued driving
- Personal responsibility and accountability every driver needs to assume
- Conditions that impact driving and how to control them
- Dangers of cell phone use while driving and the hazards involved with unsafe driving behaviors
- Importance of occupancy safety devices and how to use them correctly

DDC Online 9th Edition

This course is the most comprehensive driver safety course available with content and strategies from the 8-hour defensive driving program that address the most critical driving challenges.
